All-in-one wireless colour A4 ink tank printer

The DCP-T420W is a compact multifunction device, offering print, copy and scan functionality. As well as the fundamentals, it caters for wireless printing and offers cost-saving opportunities via the ink tank refill system.

DCP-T420W

Key Features:

- Simple to use ink tank refill system
- 1x Black, 1x Cyan, 1x Magenta and 1x Yellow ink bottles included
- Print Speeds of up to 16ipm (images per minute)
- Hi-Speed USB 2.0 and Wireless Network
- Paper Input of up to 150 Sheet
- LED display and cursor controls

Simple ink tank system to help you save money as you print

Printing up to 7500 pages*, Brother's quick and easy ink tank refill system helps you achieve high print volumes, while reducing your costs per page. The DCP-T420W comes with the full 4-colour line up in the box so you can start printing sooner, and for longer.

Doing what you need, when you need it

Not just a printer, the DCP-T420W offers many features that help make your life that little bit easier. With copy and scan functionality you can complete all the necessary tasks all in one place. Furthermore, with its sleek design you don't need to worry about it fitting in those tight office spaces.

Stay connected, away from your desk

The modern solution for home and office printing. You can set up the DCP-T420W and print, via wireless connection, from anywhere in your home or office. Say goodbye to those messy, unsightly cables.
