

Product Main Number 1000023116

ABENA®

Baking paper, ABENA, 20m x 38cm, bleached, paper/silicone/virgin

- ✓ Silicone treated on both sides
- ✓ FSC certified
- ✓ Nordic Swan Ecolabel

Product Description

The Nordic Swan Ecolabelled and FSC-certified baking paper is silicone-treated on both sides and therefore very effectively prevents baked goods and food from sticking. The paper is also not bleached with chlorine. You can use our baking paper for baking, storing and heating food, and the paper can be used in both regular ovens and microwaves.

Nordic Swan Ecolabel is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material, production, use, documentation, and safety.

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. FSC™ Mix means the product consists of a blend of FSC certified wood and recycled materials. For more information, go to www.fsc.org.
