

Product Main Number 1000022865

Baking paper, ABENA, 42x38cm, bleached, paper/silicone/virgin, 18 sheets

- ✓ In sheets
- ✓ Silicone-treated on both sides
- ✓ FSC certified
- ✓ Nordic Swan Ecolabelled

Product Description

The baking paper has a thick silicone treatment on both sides and thus effectively prevents baked goods and food from sticking. The baking paper is Nordic Swan Ecolabelled and FSC certified. It can be used for baking, storing and heating food and is suitable for use in both regular ovens and microwaves. Cutting into sheets facilitates handling.

Nordic Swan Ecolabel is an official Scandinavian environmental label. Products with the Nordic Swan Ecolabel meet stringent environmental requirements with regard to raw material, production, use, documentation, and safety.

FSC™ (Forest Stewardship Council) is an international non-governmental organization dedicated to the promotion of responsible forest management worldwide. FSC™-certified products are made from raw materials from well-managed forests and responsible sources. The label's traceability and integrity are upheld through stringent control measures, and by choosing FSC™-certified products, you help take care of forests and the people and wildlife that call them home. FSC™ Mix means the product consists of a blend of FSC certified wood and recycled materials. For more information, go to www.fsc.org.
