

Product Main Number 132175

Gastro.

Beer glass, ABENA Gastro, 12.9cm, Ø9.5cm, 40 cl, 51 cl, clear, PP

- ✓ Shatterproof material
- ✓ Perfect for cold draft beer
- ✓ Good quality at a low price

Product Description

Our drinking glasses in robust PP material are an optimal solution for all kinds of events and festive arrangements when you don't want the hassle of washing up. The strong PP material makes for a sturdy disposable glass that does not crack or break. The transparent plastic glasses are the perfect size for pouring cold draft beer, but are also great for use with other cold drinks such as soft drinks and colorful drinks.
