Product Description

ABENA's portion cups are ideal for serving tasting samples and snacks. The cups are made of reusable and robust RPET material. The disposable cup comes with a practical lid, which ensures that the contents are kept fresh and appetizing for longer while preserving a high standard of hygiene. And with the transparent material, it is possible to present your dishes to best advantage. At ABENA, we have a wide range of portion cups, so you are sure to find the model and size to meet your specific requirements.
