

Technical Data Sheet

Chicopee® True Confidence™

Product Description

Chicopee Microfibre Plus

Specifications

Descriptions

Product SKU	74721 / 74722 / 74723 / 74724
Production Code	7408 / 7409 / 7410 / 7411
Production Style	Duralace
Colours	Blue / Red / Yellow / Green
Composition	96% Fibre, 4% Binder
Fibre Content	100% Microfibre - 55% PET / 45% Nylon

Properties	Typical Value	Test Method
Weight	100 GSM	TM 1150
MD Strength	370 N / 1 ply	TM 1178
CD Strength	120 N / 1 ply	TM 1179
CD Wet Strength	100 N / 1 ply	TM 1187
Thickness	2,2 MM / 4 plies	TM 1031
Absorption Capacity	600%	TM 1016

External Certifications	Laboratory	Test Method
Food Contact Clearance (EC 1935/2004)	ISEGA	LFGB 80.56
99,99% bacteria removal	BioLabTests	-
Antibacterial	Centexbel	ISO 20743 §8.1

The specifications of the products supplied are based on the specifications mentioned in this technical data sheet and can vary within a certain scope per specified item.

Version 1, 22-10-2015

Product manufactured by PGI Nonwovens B.V. (an Avintiv Company) ISO9001 certified.
